TEOXANE
THERE SHE GLOWS AGAIN
Because confidence looks like this
baby GLOW
BY TEOXANE

BOOST YOUR SKIN RADIANCE[1] & YOUR INNER CONFIDENCE

Skin quality can often be linked to confidence, self-perception and even how comfortable we feel socially.[2]

SKIN GLOW[1]

is increasingly associated with skin health, particularly in how it reflects light.

A smooth, luminous appearance can enhance perceived attractiveness.

Your skin deserves our attention

94%

of people want to **improve their skin**, and achieve a radiant, healthy, and **glowing** skin[3]

80%

of people seek aesthetic treatment to achieve a **more youthful and more attractive appearance**[3]

TAKE A BEAUTY SHOT WITH OUR NEW NEXT-GEN SKIN QUALITY TREATMENT

baby GLOW

BY TEOXANE

A new skin glow treatment designed to enhance your skin's natural light for **visible radiance from the very first session**.[5]

Immediate improvements in **hydration and luminosity**.[6] A quick, comfortable procedure with minimal downtime.[1,5] **Just GLOW.**

Top 3 skin benefits reported by patients:

- **Glowing effect**[1]
- **Elasticity**[1]
- **Hydration**[1]

With **Teoxane babyGLOW™** you can step back into your day looking refreshed, luminous, and unmistakably you.

What they say about baby GLOW

BY TEOXANE

>98%[1]

patients reported natural looking results and immediate glowing effect*

84%[1]

patients felt more confident following babyGLOW™ technique*

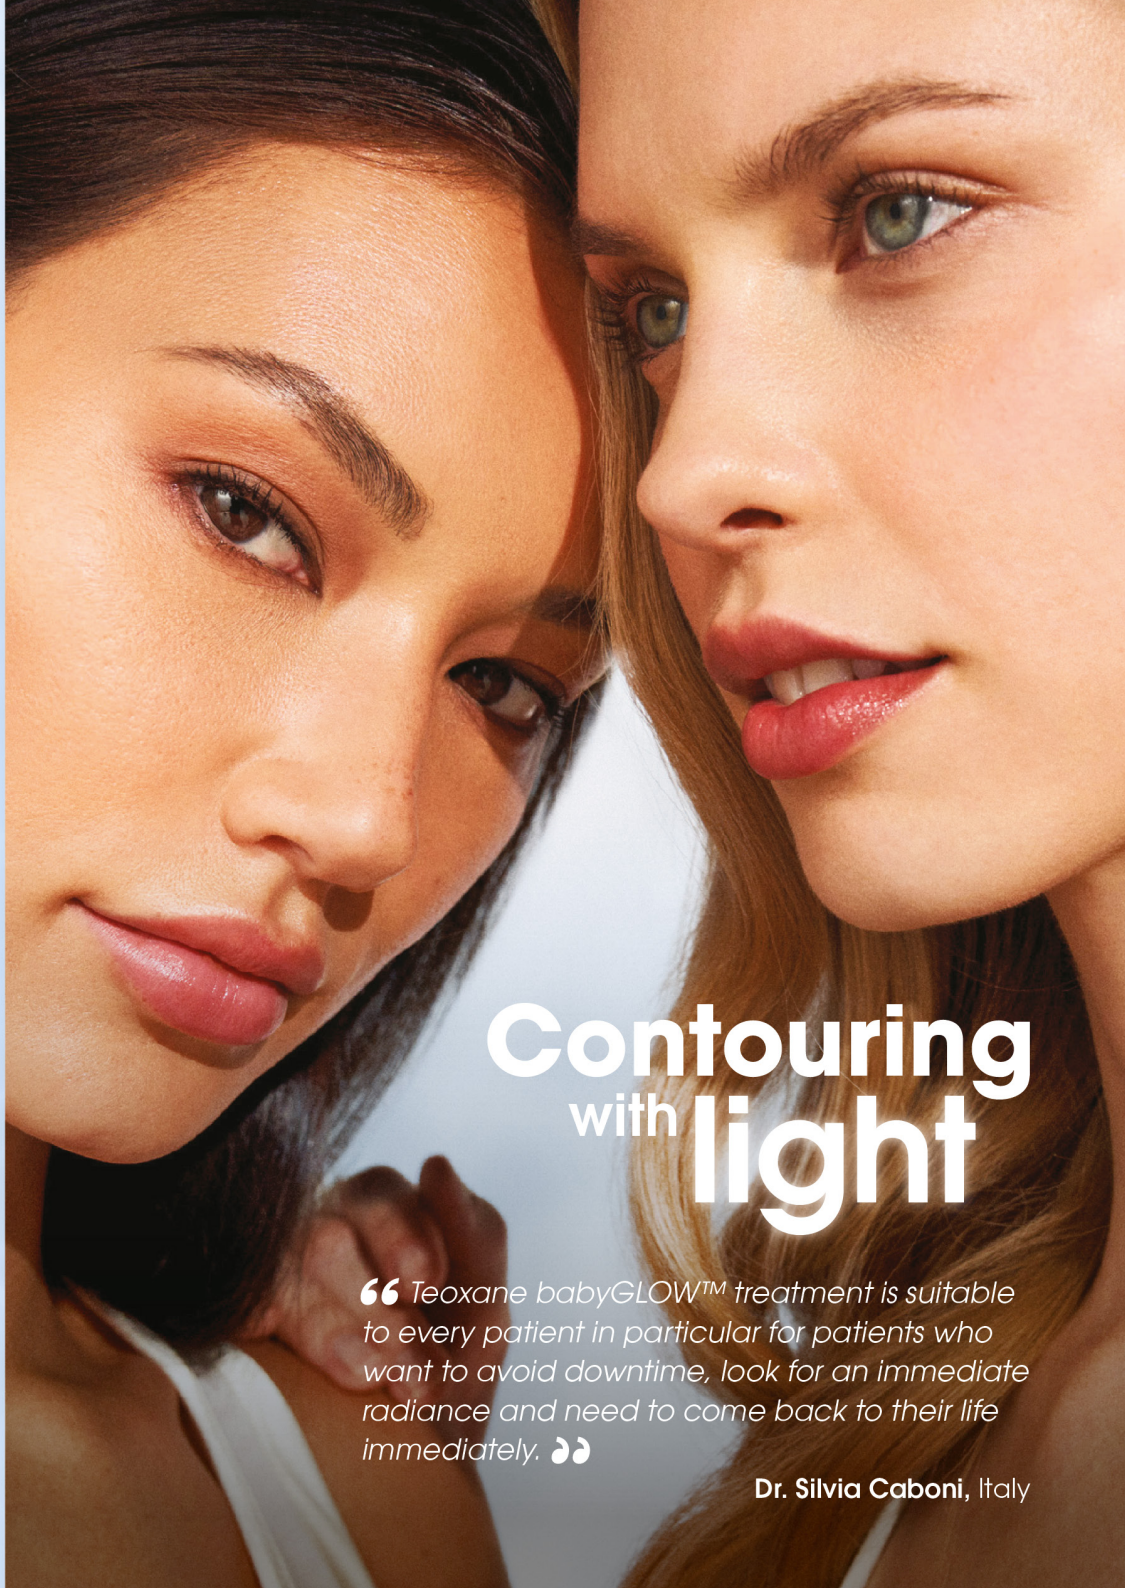
88%[1]

patients felt comfortable during the injections*

98%[1]

patients were ready to go back to their daily activity immediately after*

*Survey performed on n=15 HCPs in 5 different countries: UK, Italy, Spain, Poland, Turkey. 78 female patients treated: 40 for beautification (up to 35 y.o.) and 38 for rejuvenation (>35 y.o.). 188 treatment sessions performed.



Contouring with light

“Teoxane babyGLOW™ treatment is suitable to every patient in particular for patients who want to avoid downtime, look for an immediate radiance and need to come back to their life immediately.”

Dr. Silvia Caboni, Italy
